

STOCKS IN DEMAND.

Advance in Prices on Report of Rate War Settlement.

RAILROADS ALSO MOUNT.

Market Bullish in Tone, with Sugar in the Front—The Quotations.

The public utilities were the feature of the opening of the stock market today on the report that the gas-rate war had been settled.

Consolidated Gas was in demand at an advance of 3-4, and Manhattan and Brooklyn Union rose 1-2. Metropolitan 1-4. Sugar and Tennessee Coal were also up nearly a point.

The Railroads generally gained a small fraction. The tobacco stocks, both of the American and Continental companies, were heavy.

Of the tractions, Metropolitan gained 3-4 points, to 154; Third Avenue 1-2, to 110; Brooklyn Rapid Transit 1-4, to 71-1/2; and Manhattan 1-2, to 91-1/2.

Sugar was well sustained and railroads advanced a fraction before the bank statement appeared. Afterward New York Central, Pennsylvania, C. & O., St. Louis and Northwestern rose a point or more on the last night.

There was a good demand for Union Pacific. Consolidated Gas fell 2 from the best, and realizing in Sugar carried 1/2 off a point.

The closing was dull and rather easy at net gains in a majority of cases.

The total value of stocks today were \$1,500,000,000 and of bonds \$1,500,000,000.
